China Tour Package from Kerala

Introduction China, a vast and diverse country in East Asia, is a captivating blend of ancient traditions, modern advancements, and breathtaking natural landscapes. With a history spanning over 5,000 years, China offers a wealth of cultural treasures, architectural marvels, and natural wonders that attract visitors from around the world.

Economy China boasts the world's second-largest economy, driven by manufacturing, services, and agriculture. The country is a global manufacturing powerhouse, producing a wide range of goods, from electronics and machinery to textiles and apparel. China's service sector, particularly in finance and technology, has also seen significant growth in recent years.

Tourism plays a crucial role in China's economy, attracting millions of visitors each year. The country's diverse attractions, ranging from historical sites and cultural landmarks to natural wonders and bustling cities, cater to a wide range of interests and budgets.

Geography China is the world's third-largest country by land area, spanning a vast territory with diverse landscapes. The country is bordered by 14 countries, including Russia, Mongolia, India, and Vietnam. China's topography includes mountains, plateaus, deserts, and coastal plains. The Yangtze and Yellow Rivers, two of the longest rivers in the world, flow through the country.

Itinerary

**Day
1**

Board from Cochin – Fly to Beijing –Overnight in Flight

Board your flight from international airport for your much awaited holiday destination of China. Overnight in flight.
